Subject: Contract Carriage Permit to Motor Cycle Taxis as passenger carriages.

Reference on the subject cited above.

2. At present, contract carriage permits in the State are limited to three wheeler passenger auto-rickshaws, motor cabs and air-conditioned buses having seating capacity of 16 or above. The above embargo violated the fundamental rights of citizens to obtain contract carriage permits for other passenger carriages like 2 wheelers, non A.C omnibuses and AC-omnibuses of seating capacity below 16, besides denying passenger transport services to the travelling public. It is, therefore, decided with the approval of the State Government that contract carriage permits may be granted to any passenger carriage subject to fulfillment of conditions laid down in section 74(2) and 84 of the Motor Vehicles Act, 1988. In particular, following conditions may be ensured at the time of grant or renewal of contract carriage permits:-

- 1) The word "CONTRACT CARRIAGE" shall be prominently written on the vehicle.
- 2) The vehicle shall be fitted with a yellow plate for the purpose of identification.
- 3) Police verification of driver at the place of residence for the last six months.
- 4) The vehicle shall carry a First Aid Box.
- 5) The vehicle shall meet the emission standards as laid down by the Govt. from time to time.
- 6) Decent standards of comfort and cleanliness shall be maintained in the vehicle.
- 7) The owner of the vehicle shall have adequate parking space available with him. The vehicle shall not be parked in bus stands used by stage carriages and shall not operate from such bus stands.

- 8) The photograph of the driver along with his name and phone number shall be provided to the user of the vehicle by the aggregator/operator.
- 9) The owner shall be responsible for ensuring safety of women and children passengers.
- 10) The motor cycle taxi permit shall be issued to new vehicles or a vehicle which is not more than five years old from the date of registration.
- 11) The permit shall not be transferable.
- 12) All other provisions of Motor Vehicles Act, 1988 and Rules framed thereunder shall be applicable.

You are directed to take further action in the matter accordingly.
